STEWARDED YOUR LEGACY

How Endowments support Catholic Education

Endowments play a pivotal role in supporting our Catholic schools and students throughout the Diocese of Raleigh. These financial resources provide a stable and lasting source of funding that helps ensure the continued operation and growth of our educational institutions. By establishing endowments, individuals and families can contribute to the long-term sustainability of Catholic schools.

Amongst the endowment portfolio that The Foundation oversees are approximately 46 school related endowments. Many of these contribute to tuition assistance programs, enabling students from diverse socioeconomic backgrounds to access a quality Catholic education. This support is especially vital in promoting inclusivity within our community. Additionally, endowments often aid in funding faculty and staff development, ensuring that our educators have the necessary resources to continue to provide a high standard of teaching.

We are also fortunate in our Diocese to have many of these endowment funds established to facilitate the expansion of academic and Faith filled programs, extracurricular activities, and technological advancements - enriching students' overall learning experiences. Operating costs, facilities management, and capital projects are also supported in many of our schools.

The Foundation works with parishes, schools, and individual donors to create and grow all endowments under our management, including those listed below which specifically help to fund educational priorities throughout the Diocese of Raleigh.

Rite of Candidacy

On Thursday August 10, Bishop Luis Rafael Zarama celebrated a mass of candidacy at St. Michael the Archangel, Cary, for Benjamin Joseph Megiddo Albanese.

The Admission to Candidacy rite offered Benjamin the opportunity to publicly express his intention to receive ordination as a Deacon, and later as a Priest. In this way, Benjamin was admitted into the ranks of candidate for the Diaconate. Enrollment as a candidate is the first official recognition of the positive signs of the vocation to the diaconate, which must be confirmed in the subsequent years of formation.

Please join us to pray for Benjamin as he continues with his journey toward ordination for the ministry of the church.

Faith and Education

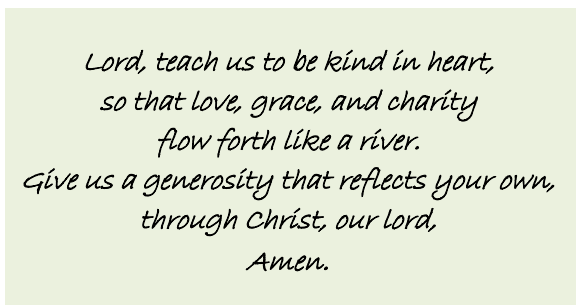

Carol and her late husband Sean always credited their Catholic education as an integral

part of nurturing faith in their lives. The strong foundation that a Catholic upbringing provided for their own faith and education led them to establish an endowment to pay it forward to younger generations who might not be able to afford it otherwise. By acknowledging the importance of a child's growth in their faith being paralleled with every other subject they learn in school allows faith to "be a part of our lives always and not compartmentalized."

The Foundation helped Carol extend the future legacy of her and her husband, while also fulfilling her wish to help Catholic students of tomorrow and today.

Please [visit our website](#) to watch Carol's story and to [learn how others](#) have helped build their Legacy through endowments.

Please contact our office on 919-568-1065 should you have any questions surrounding starting a Legacy gift of your own or concerning how to contribute to an already established endowment.
